

Waikerie Primary School Site Improvement Plan 2018

Purpose

To provide quality teaching and learning experiences

Vision

Students are supported and challenged to achieve their best

Our Values

Respect, Responsibility, Care, Confidence, Honesty, Persistence

Priorities

Quality Teaching and Learning Priority

- Teachers design and deliver quality learning experiences that embed the Waikerie Primary School *Approach to Visible Learning* to ensure learning continuity for all students
- Teacher expectation that students will engage, be intellectually stretched and develop a positive mindset towards learning

Literacy Priority

- Teachers provide a targeted reading approach to develop comprehension skills to enable students to read a variety of text genres
- Students construct written texts with correct sentence structure and tier 2 vocabulary
- Improve reading achievement, growth and retention in upper NAPLAN bands

Numeracy Priority

- Students understand and apply problem solving strategies and mathematical vocabulary
- Improve numeracy achievement, growth and retention in upper NAPLAN bands

Ongoing Priorities Student Wellbeing Environmental Education

Waikerie Partnership Priorities

- Improve Literacy and Numeracy achievement and growth for all students
- Every educator knows what high quality teaching and learning improvement looks like
- Strengthening parent and community learning engagement
- Build the capacity of leaders

DE Strategic Plan Key Priorities

- Great start
- High achievement
- Fairness for all
- Learning in partnership
- Learning in partnership
- Better futures

*Waikerie Primary School plans for improvement by building on its current strengths, whilst implementing new priorities.
Department for Education Improvement and Accountability Principles are embedded in the school's Site Improvement Plan.*
