

2022 - 2024

School Improvement Plan Summary

WAIKERIE PRIMARY SCHOOL

Goals	Targets	Challenge of Practice	Success Criteria
Increase the number of students in the higher bands in NAPLAN Numeracy.	2022: Maintain and increase the percentage of year 4 students at the SEA and very above in PAT M	If we explicitly teach number through the Big Ideas in Number sequence and assessment with a focus on additive to multiplicative thinking, then we will increase the number of students in the higher bands in NAPLAN numeracy.	Primary students will be assessed and observed using efficient mental strategies to add and subtract, understand equal groups as a basis of division, work with arrays and show proportional reasoning.
	2023: Increase the number of students in the Higher Bands of Numeracy to 30% in their year 5 NAPLAN.		
	2024: Maintain and increase the percentage of year 6 students at the SEA and very above in PAT M.		
Maintain and/or increase the number of Year 3 and 5 students in the higher bands in NAPLAN Reading.	2022: 90% of year 4 students will achieve SEA and very above in PAT R	If we explicitly teach reading through a focus on the Big 6 and the close reading strategy, then we will maintain or increase the number of students in higher bands in NAPLAN Reading	Through a termly reading conference students can effectively use comprehension strategies to summarise and answer questions from a close reading text.
	2023: 45% of year 5 students will reach the higher bands in NAPLAN Reading in year 5		
	2024: 95% of year 6 students will achieve very above in PAT R		
Increase reading achievement in Year R-2 .	2022: 50% at or above the Year 1 Phonics Screening Check benchmark	If we embed a phonics instructional routine within the context of the Big 6, then we will increase the number reading achievement in R-2.	The students will be able to recall and use grapheme-phoneme correspondences taught and consolidated aligned to the agreed sequence.
	2023: 65% at or above the Year 1 Phonics Screening Check benchmark		
	2024: 75% at or above the Year 1 Phonics Screening Check benchmark
